

## 59 Shore St, Russell Island

### UNFINISHED CONTAINER HOME!

This block is located in the mid south eastern end of the island and boasts a land area of 549m2. A modified container is included on this land with a builders power pole and the water is already on site. Inside the container is a blank canvas awaiting your ideas. BA Plumbing and drainage plans were submitted and approved in 2017 (which have now lapsed). You can currently utilize the container on the block or build a brand new home. The Wahine boat ramp is close by and the beautiful Sandy Beach picnic area is just a five minute drive away. For those looking to relocate to the Bay Islands or invest, this is a great opportunity on the ever-growing Russell Island. It is only a twenty minute ferry ride to the mainland (Redland Bay) with Brisbane city forty minutes north and the beautiful Gold Coast forty minutes south.
