3 Wilma Crescent, Russell Island

## OLD WORLD CHARM on massive block

This beautifully quaint cottage reminds me very much of the old miners cottages, tucked away just minutes walk from all facilities including the water bus terminal on the island. With two good bedrooms and a sun room which can easily convert to a 3rd bedroom when guests arrive, this little property is a lot larger on the inside than it appears from the street. Out the back is a huge separate laundry with stacks of space for storage, and the magnificent palms just set the back yard off as a little piece of tropical paradise and Living in the front yard are a family of Curlews that sit there and while the time away. Quite, Quaint and ready to move into. What a great weekender for the busy folks in the rest of S.E. Queensland, as within 1/2 an hour of leaving the mainland you can be settled in and relaxing. I'm sitting here writing this up early in the morning with my door open and all I can hear is the sound of hundreds of birds singing in the sunrise, just magnificent.
