

1 Crystal Street, Russell Island

Corner Block Waiting to be Built on.

Owner is reluctantly placing this well positioned block on the market after owning it for several years. All reasonable offers within current market prices will be considered. With a massive street frontage of some 21 metres, and 28 metres deep, this is a perfectly shaped block to build on. Being a corner block, it fronts two streets, sealed Minjerriba Road and unsealed Crystal Street. Block is within walking distance to all facilities, and just around the corner on Schooner Street are glorious views north along the Canaipa Passage and there is also limited access to the Canaipa Passage from there as well. Surrounding houses are well kept and maintained making this a great area to settle in.
