## 27 Moreton Outlook Street, Russell Island

### WATER VIEWS FOR MILES

You know the old saying, good things come in small parcels, well this is good. If your looking for seclusion, and do not want to be built out, but want sweeping water views also, and do not want to pay over the top, then look no further. On the Southern Side is one block with a conservation overlay on it, and beside that is an 80 acre block also with a conservation overlay, meaning the likely hood of development may be restricted. On the northern side the adjoining blocks are owned by council, set aside for Community Purposes. Then look at the views, imagine them from your specially designed high set home.
