

## 9 The Tor Walk St, Russell Island

### How much view do we need?

On this block, massive amounts. Block may not be big, but views are. Look down the Canaipa Passage of a day, watch the lights of the Gold Coast of a night. Or if you wish, a telescope will almost show you cars driving in the Gold Coast itself, thats how good the views are. Check out the photo's and see the High Rises of the Gold Coast taken standing on the block with a normal camera. Boast about that to your friends after you have built your house and they are in suberbia.
