

**41 Taylor Street, Russell Island**

## Fantastic Unique Two Bedroom Home

Owner had to move to the mainland due to work commitments, and is very reluctantly placing his house on the market for sale. As the home was for his own occupation, the house has been exceptionally well built using unique building materials for the outside cladding and floors. In both cases solid timber sleepers has been used, giving not only a great look, but also providing an exceptionally solid construction. Inside finish is superb, with quality fittings and a very unique shower area and stunning bath. Other excellent attributes are, brilliant sized deck off kitchen, 22,000 Lt Stainless Steel water tank, banana trees, citrus trees, and heaps of privacy. Do not go past this place in your quest for a new home.
