47 Patterson Street, Russell Island

Prestige North Facing Water Front Block

Patterson Street, on the northern side of the Canaipa Point Peninsula, has stunning views north as far as the eye can see over North Stradbroke Island, and the Moreton Bay Marine Park.

This excellent sized block has had approvals to build a home on, including a massive deck over looking the bay.

With the northerly aspect imagine feeling those gentle northerly breezes in the summer, and basking in the morning winter sun.

Boat access from the water is not available to the block.

A must view when looking for an excellent water view block.
