36 Crescent Drive, Russell Island

Massive Waterview Block

Stunning waterview block situated on the southern end of the island. Build your home, sit on the deck and look at the high rises of the GOLD COAST, look north and south up and down the Canaipa Passage, great vistas of North Stradbroke Island and South Stradbroke Island, and whatever is in between. This really is one of the best water view blocks on the market today. This block is a double block 90 metres deep, with the bottom part of the block, although not usable for building, maintains great green space directly under your view.

If your looking for something simply stunning, look no further than this block. Situated within a very easy walk to Sandy Beach and Lions Park, where you can BBQ, fish, run the dog, let the children play, and join the local yacht club and go for a leisurely Sunday Sail with like minded people.
