159 Canaipa Point Drive, Russell Island

Beautiful Timber Waterfront Cottage

Waterfront being the word, with massive, massive northerly views looking out over Dunwich on North Stradbroke Island, Peel Island, Goat Island and further.. Direct water access is difficult, however the views more than make up for that. There are also good filtered water views looking south of the Front of the house out over the Canaipa Passage. The cottage itself is as quaint as, full solid timber on the inside, with two bedrooms, loft area, and a good sized kitchen / dining / living space. One bedroom opens onto the back deck, the other onto the front deck, With a few little renovations this will be a stunning weekender / holiday home.
