11 Yacht Street, Russell Island

Very Close to Village and all amenities

A gently sloping block situated only a very short distance to the island village. Serviced by sealed roads, power and water running past, this block is only 200 metres or so from stunning water views of the Canaipa Passage and views of North Stradbroke Island. In fact there are very filtered water views standing on the block, that maybe enhanced from a double story home. The area is well established with some excellent home in very close proximity.
