

1 Pearl Street, Russell Island

Northern End of Island Well Priced

Another excellent building block listed by Russell Island Real Estate. Situated on the corner of Sealed Minjerriba Road and Pearl Street, (two street frontage) this block has a massive 21 width by 28 metre depth. This gives excellent building space which should allow you to build your home plus a big shed.

Water views are only just down the road, with access to launch a small tinny, jet skis etc just around the corner.

Great buying for those seeking a block in the top part of the island.
